The adopter understands that this is a promise to spay/neuter contract with West Kootenay Cattery and is in agreement that permanent ownership of this Devon Rex cat is contingent upon adopter's compliance.

1. The above named kitten is being adopted only as a companion and is NOT being adopted for breeding purposes. Adopter agrees this cat will not produce a litter of kittens either as purposely bred or by accidental breeding.
2. The adopter agrees to spay/neuter before the age of six months the above mentioned kitten and provide documentation from a licensed veterinarian to the breeder. Failure to spay/neuter the above mentioned kitten will result in the warrantee being null and void and the kitten to be surrendered to the breeder.
3. If based upon a licensed veterinarian's evaluation and it is determined that this cat is not yet in physical condition ie: body size and or weight for surgery, and in the event that this agreement cannot be honored in the time specified, the breeder must be provided with a statement from said licensed veterinarian. The adopter must establish with the veterinarian the earliest date that the procedure is able to be performed and advise the breeder.

In signing this document, the adopter acknowledges that he/she has read, fully understands, and agrees to all of the terms and conditions of the above sale.
